Address: KRL road Defence Colony, Rawalpindi, Pakistan
Portfolio: https:https://nimra-portfolio-omega.vercel.app/

Profile Summary

I am a motivated and detail-oriented Information Technology graduate with hands-on experience in programming, web development, and IoT projects. I aim to apply my skills in real-world challenges and contribute to improving systems and processes through technology. Skilled in C++, Java, C#, and basic networking, I also have practical experience in Linux environments like Kali and Ubuntu. I am eager to grow professionally and add value to the organization I join.
